

## MEMORANDUM

TO: CITY OF DUPONT  
FROM: DOMINIC MILLER, P.E. *DPM*  
DATE: OCTOBER 27, 2022  
SUBJECT: BELL HILL PFAS TREATMENT  
FACILITIES NOISE IMPACTS  
CITY OF DUPONT, PIERCE COUNTY,  
WASHINGTON  
G&O #21235

---

The City of DuPont is proposing to construct a new water treatment plant at the Bell Hill reservoir site. The proposed facilities include several carbon vessels situated on a concrete pads, utility vaults, and installation of new water mains to connect to the existing site piping. The proposed facilities will not generate significant noise and will not be heard from any of the neighboring homes at Bell Hill.
