### SEPA ENVIRONMENTAL POLICY ACT DETERMINATION OF NONSIGNIFICANCE DuPont Municipal Code (DMC) Amendment 25.20.060

**City File Number:** PLNG2024-010

**Date of Issuance:** September 6, 2024

**Description of proposal:** The proposal is for non-project related action to amend the Complete Community Overlay district (CCO) code section 25.50.060(2)(b) to allow for up to 200 dwelling units in a single building in lieu of the current limit of 150 dwelling units.

Current code language: Multifamily project in the CCO district shall not exceed 150 units per single building.

Modified code language: Multifamily project in the CCO district shall not exceed **200** units per single building.

**Project Location:** Non-project specific. City wide modification in a designated CCO area

**Proponent:** City of DuPont Planning Department  
1700 Civic Drive  
DuPont, WA 98327  
Phone: 253.912.5393

**Lead Agency:** City of DuPont

**Responsible Official:** Barb Kincaid, SEPA Official  
Director of Public Services  
City of DuPont

**Contact Information:** Barb Kincaid, City of DuPont | 1700 Civic Drive, DuPont, WA 98327 | 253-912-5393

**Findings:** This determination is based on the following findings and conclusions:

1. The code modification only applies to properties located within a Complete Community Overlay district or properties that seek this zoning designation in the future.
2. The code modification will allow 200 dwelling units within a single multifamily building in lieu of current cap of 150 dwelling units but does not modify the allowable density. Density is still controlled by the underlying zoning and therefore this modification has no significant environmental impact.
3. The is a non-project specific code amendment and applies to the entire City of Dupont.

4. Earth – This is a non-project specific code amendment. Not applicable.
