# The Standard Life Insurance

## Basic term life insurance coverage

You are covered under a group basic term life insurance policy. Plan benefits are payable to your beneficiary in the event of your death.

The specific policy provisions are available through your employer/Human Resources Department. You can also obtain a copy of the policy by contacting AWC Trust staff at [benefitinfo@awcnet.org](mailto:benefitinfo@awcnet.org).

You have a right to convert this policy to an individual life insurance policy without Evidence of Insurability if your insurance ends due to a qualifying event, and you apply in writing and pay the first premium during the conversion period.

## Additional life insurance

Your employer may offer additional life insurance for you and your spouse. Monthly rates are based on the age of the person being insured. Employees have a guaranteed issue amount of up to \$80K and spouses up to \$20K when enrolling within 31 days of initial eligibility. Employees and/or spouses must apply for any amounts over the guaranteed issue amounts, and for all amounts when applying outside of the guaranteed issue period. Contact your HR for information on how to apply.

## Beneficiary changes

Beneficiary information can be changed at any time, by completing the AWC Life Insurance/Beneficiary Change Form.

*Note:* Life insurance proceeds can be given to any named beneficiary. Because Washington is a community property state, the spouse has legal right to 50% of the benefits in the event of the employee's death. Check with your legal consultant for further information.

## Dependent life insurance

Your employer may offer dependent life insurance. Eligible dependents are your legal spouse, registered domestic partner and; you (or your spouse's or your registered domestic partner's) natural child, adopted child, or step-child, less than age 26, or prior to age 26 was incapable of self-support due to developmental disability or physical handicap (proof of incapacity is required).
